

Improving Teacher Quality Technical Assistance Workshop

There will be a **Technical Assistance Workshop** for the 2007 Improving Teacher Quality Grant Program on **September 15, 2006** in the 2nd floor CHE conference room from 9:30 – 12:30.

This workshop is for any one interested in submitting a proposal for the ITQ grant for FY 2007-08. This grant requires a partnership with a School of Education, a department in Arts and Sciences, and a High-Need LEA as identified by the 2003 US Census poverty report. A draft of the Guidelines for ITQ grant program will be provided to all participants. Dr. Jeff Priest (USCA) and Dr. Jon Singer (USC) will share tips for writing successful grants. Dr. Paula Gregg (CHE) will discuss the federal guidelines and state requirements for the grant.

Please contact Paula Gregg (803-737-2246 or pgregg@che.sc.gov) if you plan to attend this training.
